WHY CHARTER WITH HELICONNEX?

Heliconnex is an established helicopter operator and management company based in the UK, aiming to deliver seamless end-to-end charter solutions.

At Heliconnex, we are dedicated to providing an unforgettable travel experience that exceeds your expectations. Our commitment to excellence and attention to detail make us the preferred choice for discerning travellers.

CUSTOMISED TRAVEL EXPERIENCE

When you charter a helicopter with Heliconnex, you are in control of your journey. Heliconnex empowers you to handpick your departure and arrival times and opt for your favoured airports or personal landing site where available. Tailor your flight schedule according to your preferences.

TIME - SAVING EFFICIENCY

Say goodbye to being held up in traffic and public transport delays. With Heliconnex, you can arrive at your departure point just minutes before your flight, reducing overall travel time. Fly directly to your destination without unnecessary stops, ensuring that you make the most of your valuable time.

ENHANCED SAFETY AND SECURITY

Safety is our top priority at Heliconnex. With a charter that emphasises safety as the foremost priority, Heliconnex ensures that every flight is conducted with the highest level of precaution and adherence to stringent safety protocols.

From well-maintained aircraft to highly trained and experienced pilots, their dedication to maintaining the highest safety standards remains unwavering.

Heliconnex's focus on safety reassures their clients that their journeys are in the hands of professionals who prioritise their well-being above all else.

INTRODUCING OUR VIP EC155B1

 Twin-engine

 IFR equipped

 Dual pilot option available

 Up to 7 passengers
(6 in the cabin and 1 in the cockpit)

 Up to 300kg luggage capacity

 Owner's release not required

We are very proud to offer the Eurocopter EC155B1 for charter in the UK and Europe

THE EC155B1

With a strong safety record and advanced safety features, it makes the EC155 a reliable and secure option for passengers.

COMFORT AND SPACE

The helicopter's spacious cabin and comfortable seating arrangements provide a pleasant travel experience for passengers during charter flights.

RANGE AND ENDURANCE

With an impressive range, the EC155B1 is able to cover longer distances without the need for frequent refuelling stops. This is particularly advantageous for charter flights that involve travelling over vast distances.

VERSATILITY

The helicopter's versatility allows it to perform a wide range of missions, including executive transportation, tourism and aerial photography, making it suitable for various charter needs.

 HeliconneX

INTRODUCING OUR VIP EC155B1

ADVANCED TECHNOLOGY

Advanced avionics and autopilot mean it is IFR capable and able to fly safely both at night and in adverse weather, enhancing the overall flight experience and ensuring a smooth and efficient journey.

LUXURY AND PRESTIGE

The EC155 is often associated with luxury and prestige, making it a preferred choice for high-end clientele, VIPs, and corporate executives seeking exclusive and stylish transportation options.

PERSONAL LANDING SITE

Travel efficiently whilst admiring the country's natural beauty, with the opportunity to travel from 'door to door'. Chartering the powerful EC155 makes landing in private open spaces easy and safe.

PRIVATE AIRCRAFT MANAGEMENT SERVICE

WWW.HELICONNEX.COM

HELICOPTER MANAGEMENT SERVICE

Bringing extensive experience and expertise from the aviation sector, we offer a range of helicopter management services. Our comprehensive services include aircraft acquisition, helicopter maintenance and management, as well as charter logistics. Entrusting us with managing your aircraft will allow you to fully enjoy the advantages of your investment.

OWNERSHIP

Buying, owning, and subsequently leasing a helicopter is a complex process that is very time consuming, but ultimately beneficial in terms of off-set costs to an owner. Heliconnex prides itself on providing turnkey solutions to owners requiring a variety of ownership and lease options for their aircraft.

PERSONALISED SERVICE

Every aircraft purchase is unique, and we always start with a clean sheet and a clear mind. Our team of specialists in Aviation & Taxation Law, Engineering and Operations will build a step-by-step bespoke solution for your individual need with complete transparency at every stage.

We will appoint a dedicated Aircraft Manager to oversee the project as the single point of contact.

THERE ARE A LOT OF MOVING PARTS

Aircraft management through Heliconnex has been proven and reliable. We are delighted to meet with both potential clients and current owners to address their specific aviation needs.
