We are a professional London Based Company providing bespoke helicopter charter services to all Airports, Heliports and approved landing sites in the UK and Europe.

At Heliconnex, we embrace only the highest standards of service, safety, and efficiency.

We have over 25 years of experience in the rotary-wing world, discretion and quality of service are of paramount importance to us, through every aspect of our business.

Whether you need to arrange a transfer from a Private Jet to a Helicopter to take you to your final destination (v.v), attend business meetings, entertain corporate clients, have a day out at the races, enjoy a trip to Paris or simply want to avoid the traffic, Heliconnex will be only too happy to discuss your aviation requirements and provide the most cost-effective solution for your travel needs.
